Atlas Innovia is the only official and exclusive representative of NTGC products, including Noritazeh, Sakura, NEO and Inn Crystal, in Canada and the US.

NTGC has been crafting high-quality glassware since 1996, blending artistry with advanced technology to create elegant yet functional pieces. With an annual production capacity of 50,000 metric tons, NTGC exports to over 55 countries, delivering premium dinnerware, drinkware, and oven-safe glassware that meet international standards.

One of NTGC's finest collections, Sakura, is inspired by the beauty of cherry blossoms, symbolizing timeless elegance and refined craftsmanship. Designed to illuminate every occasion, each piece is a masterpiece of radiance and sophistication.

As the exclusive distributor, Atlas Innovia proudly brings these exceptional glassware collections to North American consumers, ensuring access to world-class quality and design.
